"The windows make the room feel so open!"

We have worked hard to remodel the building to make it cheery and fun. There are now windows in the back and carpet where the cement floor was. There is also a lowered ceiling for better climate control! You won't recognize it!!

If you have any questions please call Shape N Up! At 541-826-3488. We are located at 151 W. Linn Rd. Across from Wal-Mart and between D' Elegance Salon and 4 Shades of Summer Tanning Salon.
