

JCHA Equestrians: For the Pear Blossom Parade, you **MUST** get to the staging area on Clark St from West McAndrews. The streets downtown are blocked off very early in the morning. Parking is along the railroad tracks (no trains this time of the day). Parking is limited so please arrive well before 9:00am. Once parked, find Betty Moore, who will oversee the equestrian entry, she'll have the butt sashes; saddle pad covers and leg wraps. Get brushed and saddled, sashes and wraps on (ask for help if you haven't done the wraps before). Then the waiting begins. We need to be mounted & lined up on Clark St by 10:00am, the parade starts at 11:00am, when our entry number is called our mounted group will enter the parade riding in pairs onto Central Ave.
