

## “Ride JCHA” Riding Awards Program Requirements

This is an “hour in the saddle” program that was created by the club in 2011 to entice members to ride their horse and enjoy the great outdoors. Participants must be current JCHA members in good standing and must maintain current JCHA club membership for the entire time they participate in the Ride JCHA riding awards program.

Participants can ride a registered, grade, horse, mule or pony and do not have to own the equine.

Time is to be recorded for **actual riding time** in which you participate with your horse. When riding in activities such as horse shows, gymkhanas, parades, arenas, etc., only **actual riding time** is to be logged, not the whole time spent at the event.

Hours are accrued in the saddle and are based on the honor system. Hours are submitted to the “Ride JCHA” committee on the official “Ride JCHA” Log sheet at **each** recognition level. Hours achieved will be posted on the JCHA website.

**You may earn double hours when riding on trails in national and state parks.** This will help keep our parks open to horse riding by using the trail systems. We do encourage you to ride in our National Forests and BLM lands too, but only actual hours can be claimed in those areas.

Everyone goes at their own rate, depending on weather, time availability, etc. More hours don’t mean you have a better horse, but you just have more time to ride.

Submit an enrollment application and a one-time enrollment fee (provided JCHA membership is current) of \$15.00 for adults, \$7.50 for youth. Participants will receive an official Ride JCHA Program Patch and log sheet upon enrollment. Log sheets are also available on our website.

Note: If JCHA club membership is not kept current, participant must resubmit another enrollment application with fee, hours are restarted at zero. Hour awards level will start at the next hour/award level not yet awarded.
