Trail Ride to Benefit Shriners Hospitals for Children

Saturday, June 8, 2024 ~ 10:00am

Willow Prairie Horse Camp Day Use

Shriners Hospitals for Children® provides all aspects of care for children with orthopaedic conditions, spinal cord injuries, burns, and cleft lip and palate, regardless of the families' ability to pay. Many of the common techniques and treatments that are used in most hospitals today were pioneered by Shriners Hospitals for Children. Shriners Hospitals for Children is dedicated to improving the lives of children, regardless of their families' ability to pay. Your donations will directly support the patients of our Shriners Hospitals for Children locations across the United States. Locally, there is a Shriners Hospital for Children in Portland Oregon, and there is a clinic for patients right here in Medford! All monies collected at this benefit ride go directly to Shriners Hospitals for Children. There is no minimum donation to participate.

Come join us for a fun day riding your horse on the trails around Willow Prairie!! Marked trail will be about 2—3 hours long, but you can ride as long as your wish! Contact Debbie Walker at 541-890-6091 for more information.
